

TEE IT UP FOR THE TROOPS REUNION 2019

"The [REUNION] concept of reuniting us Vets is one of the best healing processes and one of the most honoring events I have ever attended. The behind the scenes connections and life enhancements being done by Tee It Up for the Troops is so on the mark and impacting so many countless Veterans that I salute you for all you do." – Terry B

"This was one of the most amazing, memorable, and truly Heart healing events that I have ever been a part of. Using golf to help wounded and disabled veterans is an extraordinary concept! Getting soldiers together in this powerful healing process has helped me in knowing I am not alone." –Mike R.
